Mystery Features Begin Here Sunday

A heretofore unprecedented theatrical venture, of interest to lovers of the bizarre and the mysterious, will be the Sunday showing of Bram Stoker's "Dracula," and the never-to-be-forgotten "Frankenstein," as co-features at the Fox Sequoia.

Several months ago, a Los Angeles theater ventured to play this bill for three days, and the engagement ran into thirteen, with still greater crowds mobbing the theater daily. Another theater in the North tried the same venture, with the necessity of leasing a closed theater to accommodate over 5000 people on the opening night who stood in the street trying to gain entrance.

Since that time, almost every important situation has booked the combination of these two pictures, making it a red-letter day for those who thrill to thrillers. The show ran for two weeks to capacity audiences in San Francisco, and Manager Hal Honore has announced the unusual show as his attraction at the Fox Sequoia Theater for only a three-day engagement, commencing on Sunday.

Also of interest to lovers of the mysterious is the booking of Francisco, the mystic, who will appear in person on the stage of the Fox Sequoia Theater at a midnight show on Saturday, October 29th, in an awe-inspiring Hallowe'en Spook Show. It is suggested that plans for a real "spooky" Hallowe'en include a visit to the theater on this night.

3 Fires Strike Simultaneously In Coast Areas

Three fires which struck almost simultaneously on the Coastside Monday afternoon resulted in injury to one fireman, destroyed tons of hay and three buildings, and threatened to spread into heavily forested areas before they were brought under control.

County Fire Warden Bert L. Werder threw all of the resources of his command into the fight, using an airplane to spot the fires and direct the trucks while scores of men battled blazes on the three fronts.

Most serious conflagration was on the lands of the Shore Lines Properties Co. on the Butano Rd. south of Pescadero. A blaze which started in a field of grass spread over six acres and destroyed three buildings, including the residence of George McCrory and two nearby barns.

SAVES BUTANO FOREST

Twenty-five tons of hay and 125 sacks of barley were lost. McCrory, on his way home, was warned of the fire by two equestriennes. His efforts prevented the fire from jumping a road into the Butano forest.

Tony Pimentel, Butano rancher, lost 65 sacks of barley and 20 tons of hay in the fire. A few minutes later his ranch on the Pomponio ridge was hit by a 25-acre grass and brush fire which destroyed several acres of pasture.

Another blaze on the Purissima ridge spread over 50 acres before it was brought under control. The fire started, Werder said, when share-croppers clearing brush let a fire get away from them. Jack Hara, Coastside deputy fire warden, directed the crew of fire fighters which battled the blaze for five hours. It was extinguished at 9:30 p.m.

JACK KELLER BURNED

Jack Keller of the Redwood City fire station suffered first degree burns of the hands when he picked up hot pipe at the Butano fire. He was painfully but not seriously burned.

The smoke of the coast fires was first reported by the Mt. Hamilton lookout. Werder immediately dispatched a plane to the coastside. Dep. Warden Ernest Werder directed equipment from Pescadero to the Pomponio ridge fire by dropping a message from the plane. He then sent an emergency call to Redwood City for two trucks to be dispatched to the Butano canyon.

County Keeps Hold Of Fiesta Finances

While the San Mateo County Fair Association has taken over operation of the annual fiesta, the board of supervisors still has its hands on the purse strings, according to Supervisor Fred E. Beer.

"The fiesta has earned about $22,000 from the state's county fair fund," the supervisor explained, "but this money comes to the supervisors."

The board Tuesday assigned its right to $5921 of the total to the fair association.

How Safe Are You at Home? Red Cross Warns of Hazards

1. Loose rug at top of stairs is a dangerous hazard.
2. Keep medicine cabinets locked or out of reach of youngsters.
3. Teach children not to put safety pins or other small objects in their mouths.
4. Good luck if you hang it up, but bad luck if you step on the nails in this horseshoe.

DURING the month of October, the American Red Cross will carry a safety message into ten million homes and farms throughout the nation, urging a check-up on accident hazards.

Do you know these hazards? How safe are you at home? Do you know that deaths from injuries on the farm are steadily increasing? What are the causes? These are a few of the questions the Home and Farm Accident Prevention Service of the Red Cross will send into homes, on an accident check list to be distributed through Chapters, by millions of school children and members of the Junior Red Cross. And the answers are provided on the check list, too.

National attention was concentrated on the Home and Farm accident problem in 1935-36 by the Red Cross. In that year, 37,000 men, women and children lost their lives in home accidents, which were largely preventable. In 1937, this toll of life was reduced, and only 32,500 lives were sacrificed to carelessness. The spread of knowledge on hazards which were subject to correction was everywhere credited with this cut in the death toll.

The 1937 deaths from home accidents were divided as follows, according to the National Safety Council: falls, 17,500; burns and explosions, 5,600; poisonings, 1,700; firearms, 800; mechanical suffocation, 1,000; poison gases, 1,100.

The Red Cross appeals to those in the home and on the farm to carefully check hazards which may exist inside and outside their houses, and perhaps save a life or prevent a life-long injury.

CONTINUATION OF BUS SYSTEM FOR YEAR ASSURED FOR CITY

Virtual assurance that Walter Vandervort's Redwood City bus will continue traveling the streets of Redwood City for at least a year was given Monday when the city council voted 6-1 to pay the owner up to $100 a month to cover operating deficits.

The decision came after Vandervort reported that 25 merchants had agreed to buy advertising in his bus at $3 a month and that he believed he could get enough more to do so to make up $200 a month of the loss he has been suffering.

Action of the council was in response to a number of requests of citizens that the bus, in effect, be subsidized, because it is of value to the city as a whole despite the fact it is a private enterprise.

Vandervort will make monthly financial reports to the council. If business gains so that not all of the $100 monthly is required to pay his deficit, the amount will be smaller, it was decided. The money will come from the unbudgeted reserve fund and be paid to Vandervort as a city employe, law prohibiting the granting of a subsidy by a municipality to such a business.

Only Mayor Louis C. Christensen voted "No" on the motion of Councilman Paul A. McCarthy, which was seconded by Councilman Evans A. Fletcher, to make the payments. Christensen did not explain his opposition.

Fuller Uninjured As Plane Damaged

Frank Fuller Jr., Hillsborough speed flier, escaped unhurt Saturday night when his fast plane ground-looped at the Denver, Colo., airport, the Associated Press reported. On the takeoff the tail wheel of the ship locked, one wing struck, then the other. The ship was damaged. Fuller was on his way from New York to San Francisco.

TAR KETTLE CATCHES FIRE

An overheated tar kettle, the content of which was being used to reroof the residence of County Assessor D. P. Flyn at 1131 Jefferson Ave., caught fire Tuesday morning about 11:15 o'clock and necessitated an alarm to the fire department. Firemen said no damage resulted from the blaze, quickly extinguished.

Generally speaking, there probably isn't a single article in your attic that is absolutely useless.

FIRE HOLDS UP TRAFFIC

Traffic on the San Mateo-Hayward bridge was blocked at the San Mateo approach Tuesday for several hours after heavy smoke from a marsh fire so blinded automobile drivers that a number of rear-end collisions resulted. No persons were injured but at least three cars were damaged, it was learned.

RENAMED HEAD OF BOARD

Dr. William R. Molony Sr., father of Mrs. A. H. McGovern of 16 Nevada St., Redwood City, was re-elected president of the State Board of Medical Examiners at Sacramento Monday. Dr. Molony has been a member of the board since its inception in 1913 and president since 1933.

Criminal Charge Is Voted Against Editor of 'Wasp'

Efforts of John L. LeBerthon, editor of the San Francisco News Letter & Wasp, to block a criminal libel indictment from the grand jury apparently failed Tuesday night after the jury held a three-hour session in the courthouse.

While no official announcement of the grand jury's action was made, it was learned that the indictment had been voted and that the jury is scheduled to appear before Judge A. R. Cotton at 4 p.m. Friday to make the official return.

The indictment will be the second to be voted by the 1938 grand jury. The first was against Liborio Faso, former gardener at Sequoia Union High School, on charges of falsifying payrolls and forging high school warrants. The Faso trial is pending in the superior court.

LeBerthon appeared before the jury to substantiate material h published in the August primary election campaign in which the News Letter and Wasp opposed the candidacy of Dr. J. C. McGovern for the office of county coroner. LeBerthon was in the jury room for nearly 45 minutes.

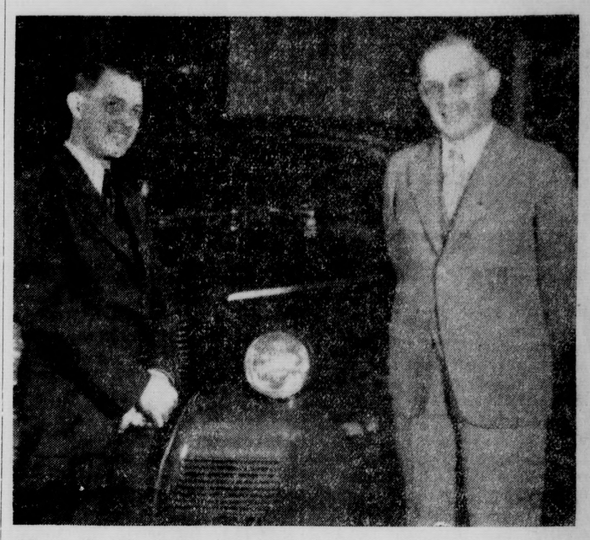
He was followed by Capt. Seth Hargraves, a member of LeBerthon's staff, who presented evidence in support of the magazine's stand against Dr. McGovern.

As LeBerthon climbed the flight of stairs leading to the second floor of the courthouse, he was met by Dep. Sheriff Eugene Cerqui, armed with a summons in the $200,000 civil libel action filed last August by County Executive E. A. Rolison.

"I gave him the glad hand as he came up the stairs—I had seen him in the sheriff's office—and I handed him the paper. He took it and cleared his throat a couple of times as he read it. Then he went on into the jury room," Cerqui said.

LeBerthon faces another $250,000 civil libel action filed by Dr. McGovern.

DEALER VIEWS NEW MODEL



Albert H. (Al) Davies, left, local Chevrolet dealer, and James P. Hagan, right, manager of the Redwood City branch of the Bank of America, were privileged to view the 1939 Chevrolet in Oakland last week, but, wanting to keep appearance of the new model a surprise for its showing here Oct. 22, they cut off most of the view of the machine by standing in front of it.

Probation Granted Man in Attack Case

In Judge A. R. Cotton's court Monday, Clarence Smoot, Negro, convicted of assault with a deadly weapon as the result of a fight at Five Points Aug. 30 in which a woman was cut, was admitted to probation for three years on condition that he serve nine months in the county jail.

Gerald J. Wallen, San Mateo Junior College student charged with negligent homicide and hit-run driving as the result of the death of Mrs. Mollie Laehy, 72, at San Carlos Sept. 13, pleaded not guilty to both charges before Superior Judge Cotton. The case was continued one week to be set.

Judge Cotton set Dec. 7-8 as trial dates for Charles Ross of South San Francisco, charged with lewd and lascivious conduct.

MENLO PARK NEWS NOTES

DANIEL KEEL ILL

Daniel Keel, flagman at the train crossing on Oak Grove Ave., was removed to the Southern Pacific Hospital this week, suffering from a heart attack. He is in a serious condition. William Buschler has taken his place at the crossing.

Mrs. H. Doughty, wife of Harry Doughty, the popular owner of Menlo Meat Market, underwent a serious operation in the Palo Alto Hospital this week. Her many friends will be pleased to learn that she is recovering rapidly and will soon be home.

Mrs. Robert McNally, who underwent an operation last week, is recovering. The operation was performed by Dr. R. J. Gerlough. Mrs. McNally is well in her eighties and it is surprising how quickly she is recovering.

Allan Ward, candidate for supervisor, is receiving big support for his candidacy in Menlo Park. Ward received over 300 plurality over his opponents.

The duck season opened auspiciously last Saturday for local hunters. W. T. Casey, a local hunter, secured the limit in the local marshes. Edward O'Keefe bagged the limit at Willows Gun Club in Glenn Co.

The pathetic death of William Freeman, the 18 year old high school boy, at his Hillsborough home last Sunday, recalls part of the family's history as it pertains to Menlo Park. The deceased was a great-grandson of D. J. Oliver, who with his brother-in-law, D. C. McGlynn, in 1852 purchased 1700 acres of land in the southern end of the Pulgas grant. The home town of these gentlemen was near Menlo Park, Ireland, and because of the beauty of this section and because of their fond memories of the old homeland, they christened the new section by the old home title. In 1854 these gentlemen laid out a subdivision in the tract. Later the title passed into the hands of Robert Johnston.

Menlo Park is receiving considerable unfavorable publicity from the San Francisco press owing to the fact that a rabid dog was dropped here from another community recently. The canine bit a child on the hand. The animal was taken to a hospital in Palo Alto, where it died. Now, every dog in town is condemned and is charged with being afflicted with rabies. Several other children have been bitten by local animals, but it has not been ascertained whether or not they have the disease. The whole thing seems to be a tempest in a tea pot. However, it is well that officials are taking precautions to prevent the spread of the disease, should it exist.

Charles Mitton, formerly of Menlo Park, is seriously ill at his home in Los Gatos. For many years he was gardener and superintendent of the William Crocker estate at Hillsborough. Mitton learned his trade at the Lynch Nurseries in Menlo Park years ago. This nursery was the first on the Peninsula to ship cut flowers to the San Francisco market.

The first of a series of whist parties given by Menlo Park American Legion Post No. 443 and the Auxiliary will start at 8:15 p. m. in Central School auditorium tonight. Score cards will sell for 25c. The public is invited. Chairmen for the event are Mrs. W. W. Bartges and Martin Johnson.

The Belle Haven American Legion Post No. 472 and the East Palo Alto Woman's Club will join forces and hold a joint Hallowe'en card party on Friday, Oct. 28th, at 8 p. m. There will be free refreshments and entertainment. Score cards will be 35c.

Isabelle Weeden Lundquist visited the IOOF Orphans' Home in Gilroy Sunday.

Weeden Brothers have completed alterations on the Menlo Barbecue. Among the improvements are a cocktail lounge and an enlarged dining room. The exterior is white stucco and the general appearance is very pleasing.

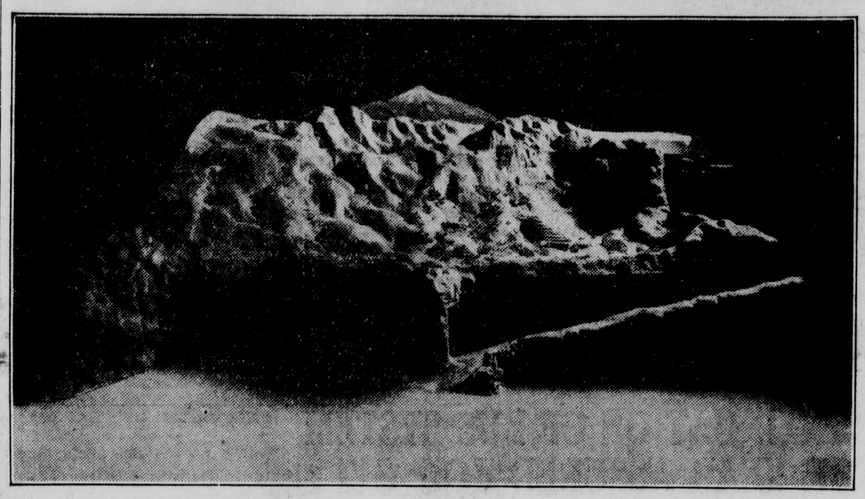
SCULPTURES PORTOLA EXPEDITION FOR EXPOSITION

Announced today by the California State Commission are details of the huge diorama of the Portola Expedition of 1769, to be placed in one of the auditoriums of the State Building on Treasure Island. Designed by Jo Mora, internationally famed artist-sculptor, shown above, the diorama—100 feet in length, probably the largest ever constructed—will depict the hazardous overland march, over an unexplored terrain, of Governor Portola, Friar Crespi and 62 other men, with their pack train of 204 animals. Suffering severe hardships, the expedition eventually reached Monterey Bay and San Francisco Bay, writing one of the first chapters of the inaugural era of the State. Constructed of 14 sections, the diorama will be easily demountable, available for educational purposes after the close of the Fair.

THE WEST'S TREASURE MOUNTAIN!



Pictured above is the long awaited photograph of the authentic model of Treasure Mountain—one of the outstanding exhibit features of the Golden Gate International Exposition for '39—designed to house the mining exhibits of the 11 Western States, Alaska and the Philippines. Being constructed by the State of California, through the California State Commission, and sponsored by Mining Exhibits, Incorporated, the mining industry is offered unparalleled facilities for displaying the mineral resources of the West. Individual halls will be provided for each of the Western States, Alaska and the Philippines. Construction will be under way at once.

J. E. Baughn Takes Position in Reno

Joseph E. Baughn, for the past 14 years manager of the Redwood Ice Delivery in Redwood City, was to leave yesterday for Reno, Nev., where he will become manager of the Reno office of the Union Ice Co. of Nevada.

Baughn, who lived in Oakland prior to coming to Redwood City in 1924, has taken an active part here in civic affairs. He is a charter member of the local Exchange Club, and belongs to the Masonic lodge. He has made his home at 205 Hopkins Ave.

Baughn will be succeeded as manager by Alfred L. Robertson, of 133 Stratford St., superintendent of delivery at the Redwood City plant since 1931.

Prior to coming to Redwood City, Robertson, also a member of the Exchange Club, was associated with the Union Ice Co. in San Francisco for five years.

Game preserves are not modern; they were established by the early Norman kings of England.

Insurance Men Hear Talks on Own Work

Talks by Elmer White, vice president of the National Insurance Agents Association; Frank Coleridge, executive secretary of the California Insurance Agents Association, and Roy Wilkins of the National Automobile Association on general topics of insurance and insurance law featured the regular dinner meeting of the Redwood City District Association of Insurance Agents at Sodini's Tavern Tuesday night.

Also present were Percy Cavanaugh, San Mateo County association president, and Albert Rapp, county secretary. Ludwig E. Werder presided at the meeting, which was attended by 30 persons.

According to some eye specialists, within the next 50 years eight out of every 10 persons will be wearing spectacles.

Forty-two of the fifty-five highest mountain peaks in the United States are located in the state of Colorado.

You Will Pay More Under A Single Tax

California wouldn't be California under a single tax! When it is realized that a single tax is not a substitute for any tax but is a substitute for Democratic government, you will realize why you will pay more under its terms than you do now under the sales tax. Under the sales tax, you and I share alike, according to our ability to pay, in the costs of government. We share equally in its benefits too. That is Democracy.

The single tax, which appears as proposition 20 on the November ballot, was designed by a few theoretical men who believed that there should be no private ownership of land. In other words they saw no reason why people should own their own homes.

CONFISCATION

To prevent anyone from privately owning land these single taxers devised a way to take it. They would double or treble present land taxes. This is their plan. Six times they tried in one form or another to foster their scheme on the people of California. Six times voters have seen through the plan. This time they try a different idea.

SALES TAX KITE

They believe the sales tax to be sufficiently unpopular to make us want to repeal it. So they propose this—

Repeal the sales tax and substitute for it the single tax on land alone. It is plain to see that by this subterfuge they believe they can dupe Californians into voting away their civil rights, their rights to own property.

Other dangerous parts of the single tax proposition are these strong possibilities that insufficient money could be raised by the plan to—

Keep our schools open, provide aid for our aged, blind and other unfortunates. This can't happen. We must vote "no" on 20!

Beware Coughs from common colds That Hang On

No matter how many medicines you have tried for your common cough, chest cold, or bronchial irritation, you may get relief now with Creomulsion. Serious trouble may be brewing and you cannot afford to take a chance with any remedy less potent than Creomulsion, which goes right to the seat of the trouble and aids nature to soothe and heal the inflamed mucous membranes and to loosen and expel germ-laden phlegm.

Even if other remedies have failed, don't be discouraged, try Creomulsion. Your druggist is authorized to refund your money if you are not thoroughly satisfied with the benefits obtained. Creomulsion is one word, ask for it plainly, see that the name on the bottle is Creomulsion, and you'll get the genuine product and the relief you want. (Adv.)

Liborio Faso Ill, Trial Is Postponed

The ill health of Liborio Faso, former Sequoia High School gardener, caused postponement Tuesday of his trial on fraud charges, scheduled to have opened then before Superior Judge A. R. Cotton.

Through his attorney, Albert Mansfield, Faso asked that the trial be delayed pending his recovery. Mansfield said that worry over the impending trial combined with poor health had caused Faso to lose weight until he now weighs only 92 pounds. A physician's certificate to back up his statements was presented. Mansfield said, however, he expected Faso to be able to be in court next Monday, when a new date will be set for the trial.

Bacteria vary in size from 600th of an inch to a 500,000th of an inch in diameter.

LEGAL

NOTICE TO TAXPAYERS

County Taxes 1938

NOTICE IS HEREBY GIVEN that the Taxes on all Personal Property, secured by Real Property, and one-half of the Taxes on all Real Property will be due and payable Tuesday, November 1st, 1938, and will be

Delinquent on December 5th

the first Monday in December, 1938, at 5 o'clock P.M.

and unless paid prior thereto, 8 per cent will be added to the amount thereof. If the said first installment of said taxes be not paid before April 20, 1939, at 5:00 p.m., an additional 3 per cent will be added to the amount thereof. The remaining one-half of the taxes on all Real Property will be payable on or after January 20th next thereafter and delinquent on April 20th, 1939, at 5:00 o'clock P. M., and unless paid prior thereto 3 per cent will be added to the amount thereof.

All taxes may be paid at the time of the first installment, as herein provided, is due and payable.

Taxes may be paid on any day at my office, except Sundays and holidays, in Redwood City at the Court House, between the hours of 9 A. M. to 5 P. M. Send description of property when asking for tax statements. Notify this office of your change of address.

NFO Demands Investigated

Three requests of the North Fair Oaks Improvement Club were on the "referred" list of the board of supervisor's unfinished business today as the result of action taken Tuesday.

Request of the club for a safety signal at the railroad crossing safety signal at Fifth Ave. was referred to the county executive with the request that he seek additional information from the railroad commission. Previously the commission ruled that the $2300 cost of the signal must be borne entirely by the county.

Protest against the establishment of unsightly auto wrecking yards of Middlefield Rd. was referred to the district attorney after Asst. Dist. Atty. Daniel E. Sullivan informed the board he was preparing a 71-page business license ordinance to cover all businesses in unincorporated areas. Sullivan said the new ordinance would correct the Middlefield Rd. situation.

If you want to keep it a secret, don't put it in the Want Ads.

Six-Month Term Given Check Forger

Keith Anderson of Burlingame, charged with forgery and passing fictitious checks, was sentenced to six months in county jail Monday by Judge Maxwell McNutt. The jail term was a condition of a two-year probationary term. Anderson was previously on probation from New York on a gun charge, according to the district attorney.

Glenn Graham, also facing check charges, entered a plea of not guilty. The case was continued one week to be set.

Robert H. Brown, charged with burglarizing the Oak Tree Inn in San Mateo, also pleaded not guilty.

Trial of John Fischer, Joseph Fischer and Fred Welte on bookmaking charges was set for Nov. 17-18. They were arrested in Millbrae Mar. 15.

Ah Gee, Menlo Park, held to answer on a narcotics charge, was arraigned.

Trial of Henry P. Baack of Oakland, facing two felony charges of hit-run driving and driving while drunk, was set for Nov. 29.

Winter Demands Better Battery

Motorists may well apply that popular scout motto "Be Prepared" to their winter driving by replacing weakened batteries before fall rains set in, advises the local Western Auto manager. During his firm's Annual Autumn Sale, famous Western Giant and Wizard batteries as well as Wascos and Specials are offered at greater than usual savings.

Court Exonerates Gas Theft Suspects

Frank Armi Jr., Lewis Helms and Archie Wells, accused of stealing gasoline from an automobile in Redwood City Oct. 11, were found not guilty Monday in Judge Edward I. McAuliffe's court. John Clark, arrested Sunday on a similar charge, pleaded guilty. He will be sentenced Thursday.

Though elephants are now extinct in North America, many fossil remains of them have been found.

Does Bladder Irritation

WAKE YOU UP? It's not normal. It's nature's warning "Danger Ahead." Your 25c back if this 4-day test does not help nature flush excess acid and other wastes from the kidneys. Excess acids can cause the irritation resulting in getting up nights, frequent or scanty flow, burning, backache or leg pains. Just say Bukets (25c) to any druggist. Locally at Young Drug Co.

L. A. SHERIFF VISITS HERE

Sheriff Eugene Biscailuz of Los Angeles County called at the sheriff's office Tuesday to pay his respects to Sheriff James J. McGrath.

Automobile tires wear faster in Summer than in Winter, because pavements in Summer are dry and gritty.

The line of perpetual snow ranges from 18,000 feet altitude in the tropics to sea level in the polar regions.

More than 28,000 Tennessee farmers limed more than 250,000 acres of land in 1937 in an effort to combat soil acidity.

NOW! DENTAL PLATE
Material Made by the Famous DUPONT LABORATORIES

Mail Carrier In S. C. Dies

Following a three-month illness, Charles F. Narramore of 577 Old County Rd., San Carlos, died Saturday evening in a San Mateo hospital. Mr. Narramore, who was 57, was the contract mail carrier for the San Carlos Post Office. He had lived in that city for 14 years.

Mr. Narramore is survived by his wife, Mrs. Gertie Narramore; a daughter, Mrs. Effie Lee Howell; three sons, Ray and James Narramore, all of San Carlos, and Charles Narramore Jr. of Hilo, T. H. Three grandchildren also survive, Donald Narramore of Menlo Park and Anita and Helen Narramore of San Diego. He leaves a sister, Mrs. Sidney Bowers of Carthage, Mo.; and three brothers, Jesse Narramore of Kansas City and William F. and Clyde A. Narramore, both of Carthage.

Toastmasters Offer Speaking Courses

An opportunity for any man to learn more about public speaking was offered again today by the Redwood City Toastmasters Club. President Clarence J. Holt said that there was room for several members in the club, which has as its purpose the teaching of speaking.

Conducted in connection with the Sequoia Adult Evening School, the club actually is a night school class, meeting on Mondays in the Methodist Episcopal Church social hall for dinner. Robert R. Gros of Palo Alto is club critic or teacher. Teaching is done through criticism of delivered speeches.

Anyone interested should contact Holt at the Shell Oil Co. depot (Redwood 7), or the night school staff at Sequoia, or attend a Monday night session at 6 o'clock.

Mission Being Held At Catholic Church

A Mission is being conducted each night this week at Mt. Carmel Catholic Church, starting at 7:45 p.m. and closing with the benediction of the blessed sacrament. Conducting the services are Father William Butler and Father Cornelius Murray, members of the Diocesan Missionary Band.

In connection with the Mission, mass is said daily at 6 a.m. and 8 a.m.

The public is welcome to attend the mission, Father J. P. Cavanagh, pastor, said.

Sons of Vets Plan Part in Dedication

At their first business meeting, held Monday at the home of Mrs. E. W. Magruder in Redwood City, members of Adm. George Dewey Camp, Sons of Spanish American War Veterans, decided to attend in a body the dedication on Armistice Day of the new Camp Fremont Memorial Park in Menlo Park.

It was pointed out again that any son, grandson or legally adopted son of a Spanish American War Veteran residing on the Peninsula is eligible to join the camp, formed last week at a meeting in Redwood City. Harry Royse is president.

BURNED CLEANING MACHINE

MENLO PARK, Oct. 17—Exploding gasoline which he was using to clean a motor burned the eyelashes, eyebrows and face of Arthur Grounds, 24, resident of Park Military Academy. Grounds was cleaning his automobile yesterday at a Menlo Park service station when the gasoline was ignited, apparently by a spark from the generator circuit.

A fly eats its own weight in food daily.

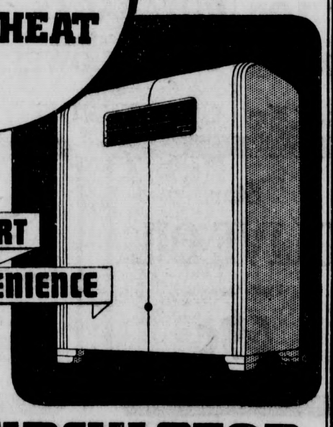
YOU CAN'T BEAT *Controlled* GAS HEAT

FOR COST COMFORT CONVENIENCE



GAS CIRCULATOR

with Thermostat Heat Control

It is so easy to banish from your household all the bother of striking matches, starting a fire and waiting for fuel to burn. Install a modern Gas Circulator with a thermostat heat control and you can tune in heat as you like it—instantly. And as long as you need it you will have heat at correct temperature for health, comfort and economy.

On this first day of Fall—think of this—just touch a dial and relax, in a home at last made perfect in comfort and warmth with Controlled Gas Heat.

Gas is the perfect fuel for home heating. It burns cleanly, silently, without odor. It requires no storage space and you pay for it after you use it.

Buy your Gas Circulator this month.

FUNDS VOTED FOR COAST ROAD; BAYSHORE DIVISION IS URGED

San Francisco supervisors on Monday voted unanimously to appropriate $66,000 per annum for the next four years to finance the million dollar coast highway link between Lobitos and Bean Hollow.

At the same time the San Francisco board urged the State Highway Commission to appropriate funds for reconstruction of the Bayshore Hwy. from San Francisco south to provide for divided traffic lanes.

The Bayshore Hwy. proposal was recommended for study only by the State Chamber of Commerce, according to Planning Adviser Ronald Campbell. San Francisco's action was more definite, he said.

San Francisco approved other chamber of commerce recommendations, including an appropriation for extension of Junipero Serra Blvd. south to Sneath Lane.

According to Supervisor Alvin S. Hatch, the San Francisco board took a vote after hearing the coast highway project praised by Supervisor Jesse Colman. The commitment, while not binding legally, constitutes an agreement which will enable the state to provide its share of the funds, Hatch explained.

The length of the school term in the United States is increasing. Latest records show that it is now about 173 days out of the year.

The same Eskimo language is spoken from Greenland to westernmost Alaska.

The ancients believed the emerald benefited the eyes and the amethyst prevented drunkenness.

Veterans War Again On Peddling Frauds

The old fight of veterans' organizations against imposters who solicit under the banner of disabled ex-service men was renewed by Corp. James Lindsay Wilson Post, Veterans of Foreign Wars, at its meeting Tuesday.

The post adopted a resolution asking that law enforcement authorities refuse to issue permits or licenses for sale of non-commercial articles or for solicitation under guise of veterans' banners without consent and approval of a bona fide veterans' group or representative thereof.

Aid of merchants' associations, chambers of commerce and the press is sought to help put an end to such activities. The state legislature will be asked to amend the Peddler's State License Act to provide for imposition of severe penalties against persons who fraudulently claim rights, privileges or exemption under the law.

An Indian legend holds that fire was discovered when buffaloes' hoofs struck sparks from rock and set some dry brush afire.

New Pump Installed On City Fire Truck

Firemen have begun work on the installation of a new 750-gallon pump on the ladder truck of the department, which will increase the department's pumping capacity to 2500 gallons a minute, Fire Chief Mark E. Ryan announced today.

The pump will cost about $3000, the chief said. The ladder truck was dismantled yesterday and its equipment, including first aid paraphernalia, have been temporarily installed on a flat-bed truck. The installation of the pump will keep the truck out of service about two weeks. The new pump will be fitted to operate in connection with a three-inch line, an unusual size for small municipalities.

Replacing Henry Tarratt as a full-time fireman is William Hart, formerly a call man. Tarratt resigned to pursue electrical work, but will continue as a call man.

TERMITE PICTURE SHOWN

Dangers of termites, how they work, and how to get rid of them were shown to the Redwood City Kiwanis Club yesterday noon in a moving picture presented by E. J. Nagley of Terminix of Northern California Inc., San Francisco. Teddy Lauman was chairman of the day.

COURTHOUSE AIDE TO WED

Miss Dorothy Haaker, 28, Burlingame, county courthouse employe, and William L. Naylor, 28, scion of the prominent Naylor family, San Mateo, secured a marriage license in Reno today, according to press dispatches.

Dr. H. E. Curry, Missouri state veterinarian, has estimated the equine sleeping sickness epidemic will kill 2500 horses and mules in Missouri during 1938.
